Combining luxury and the great outdoors, our extra spacious Safari Tents are completely furnished with all the amenities you need to relax and enjoy your time away from home. You will have a very comfortable bed with proper linens, places to sit and eat, and places to charge your phone. The heating and cooling will be just enough to take the edge off, but will not have the same effect on a home. We do provide heaters in the winter and air conditioners in the summer but remember this is a tent with a canvas exterior. You will still be able to wake up and have a fresh cup of coffee from a Keurig Coffee Maker while camping in Helen GA!
