The T9550 Deluxe Folding Treadmill is a high performance treadmill featuring an orthopedic cushioned running belt for added comfort, a spacious 57" x 20" workout area and a frame of scratch-resistant heavy gauge tubing.

This model features a folding "drop assist" deck--the shocks help support the weight when you lift and lower the deck--to take up less space in your room.

This treadmill has multiple fitness programs as well as the ability to manually set your workout.

The deck is able to be elevated electronically both manually and automatically with in the on-board fitness programs.

This treadmill is pre-owned and in excellent condition.

Cash only, please
